## Murderer in A Red Plot, Bircher Says

This week's Vietnam massacre was a Communist plot, according to a former intelligence agent for the Canadian police department.

John Gurner, who served two years in the United States for a Communist plot in 1950, and the W.F.O. Director told him before he was arrested as an agent, after a meeting at a Communist CIA Public Affairs Forum.

Although he was not a member of the KKK, the former reporter said he had been in the KKK for a long time and most of his time in the Communist conspiracy.

Mr. Gurner predicted that the Communists will launch a full scale revolution in two years.

He said the KKK, the United States and all other "free" organizations are part of the conspiracy, and that the Communists are planning to use them to destroy the world.

Mr. Gurner also charged that besides plotting, the Communists are passing out money and handouts.

Asked by a member of the audience if he thought the Communists were behind the Communist plot to invade the American people, Gurner answered that he expected a military victory in Vietnam.

## Bircher Tells Of 'Inside'

A man who calls himself a "proud" member of the John Birch Society and a member for "America's defense" was arrested last night. The bircher had been charged as an underground police agent in a voluntary state in the last years of the 1950s, during the era of the "Red Scare" of the 1950s.

David G. Bircher, 47, of 1210 Public Square, in the Golden Triangle, U.S. Downtown, stating that the organization against the war in Vietnam was "planned" by the Communists in that area last June 22.

According to Bircher, SDS and other Communist-inspired organizations have a very intricate plan to "bring" the generation of American youth and get them ready for revolution.

Bircher said, "I am an American citizen, I am a choice — I am up and open the country to go home and back."

CHICAGO WHERE, FROM 1965 TO 1967, WORKED WITH INTELLIGENCE UNIT OF CHICAGO POLICE DEPARTMENT, JOINING W. E. B. GUMAER ADMITTED WORKING FOR LIBERTY LOBBY IN CHICAGO AND WASHINGTON, D. C., BUT LEFT BECAUSE [REDACTED] WAS TOO RADICAL, BEING ANTI-SEMITIC AND A BACKER OF AMERICAN NAZI PARTY. GUMAER CLAIMS HE HAS TRAVELED THROUGHOUT UNITED STATES SPEAKING AGAINST COMMUNISM, DELIVERING POSSIBLY 3,000 SUCH SPEECHES.

b6

GUMAER SAID SINCE RESIDING SLC HE HAS GIVEN UP POLITICAL ACTIVITIES BECAUSE HE TRIED FOR NINE YEARS TO WARN AMERICAN PUBLIC OF THREAT OF COMMUNISM THIS COUNTRY BUT HAS NOW GIVEN UP AND IS MERELY TRYING TO MAKE A LIVING. SAID HAS BEEN ASKED TO BECOME INVOLVED IN AMERICAN PARTY AND LIBERTARIAN PARTY BUT TO DATE HAS NOT DONE SO. GUMAER CONVINCED THERE WILL BE ARMED REVOLUTION IN UNITED STATES AND ADVOCATES FAMILY SURVIVAL. HE BELIEVES INDIVIDUALS HAVE RIGHT TO DEFEND THEMSELVES AGAINST REVOLUTIONIST.

62-2308

GUMAER EMPHATICALLY DENIED ORGANIZING OR BEING INVOLVED IN ORGANIZING RIGHT WING AIRLINE PILOTS TO FLY "HIT TEAMS" AROUND UNITED STATES TO ASSASSINATE ANYONE. STATED SUCH ALLEGATIONS ARE "SILLY." GUMAER SAID HE DISLIKES HENRY KISSINGER BECAUSE HE BELIEVES KISSINGER IS DANGER TO UNITED STATES DUE TO HIS PRO-COMMUNIST ACTIVITIES AND ASSOCIATES BUT THAT TO KILL ONE OR TWO PERSONS WOULD ACCOMPLISH NOTHING. STATED THE ONLY WAY TO DEFEAT COMMUNIST THREAT IS TO CHANGE THE MIND OF THE ELECTORATE THROUGH PROPAGANDA AND MAKE CHANGES LEGALLY. GUMAER SAID HE CANNOT RECALL EVER MAKING ANY STATEMENT WHICH COULD BE CONSTRUED AS THREAT TO ASSASSINATE KISSINGER OR ANYONE ELSE. BELIEVES IF INTERNAL REVOLUTION COMES CITIZENS HAVE RIGHT TO KILL REVOLUTIONISTS IN SELF-DEFENSE. GUMAER KNOWS OF NO ONE WHO WOULD START RUMORS ABOUT HIM, HOWEVER. ADMITTED HAS MADE ENEMIES IN POLITICAL MOVEMENT WHO COULD BE TRYING TO RETALIATE AND HARM HIS REPUTATION. HE STATED SEVERAL YEARS AGO WHILE WORKING FOR JOHN BIRCH SOCIETY RUMOR GOT BACK TO ROBERT WELCH, HEAD OF SOCIETY, THAT GUMAER HAD MADE STATEMENT WELCH WAS "RED AGENT." THIS WAS COMPLETELY FALSE AND GUMAER MENTIONED INCIDENT AS EXAMPLE OF HOW RUMORS START.

# REPORT!

## NORTHWEST RED RESISTANCE

■ A TOP SECRET gathering of Red leaders was recently convened at a secluded tract in the Snoqualmie National Forest, amid the quiet recesses of the fog-shrouded foothills of Mount Rainier. The Comrades were there to plot the strategy, and solidify the base, for a nation-wide subversive apparatus known as *The Resistance*. This carefully guarded Northwest Resistance Conference was held over the weekend of August 23, near Enumclaw, at the Buck Creek Camp on Crystal Mountain, a ski lodge situated sixty miles southeast of Tacoma, Washington, on a lonely, wooded road off highway 410.

Your reporter, acting as an observer for Military Intelligence, and on assignment for *The Review of the News*, attended that conference.

After leaving Seattle, and driving for over three hours in a pouring rain, I pulled into the revolutionary camp in a borrowed 1940 Chevy, decorated with flowers, "peace" symbols and revolutionary slogans. Several other ancient and weatherbeaten cars followed me into the crowded parking area and stopped nearby. Following one group of revolutionaries up the hill to the lodge, I fell into a conversation with the leader, a young, hard-looking chap from San Francisco.

Dressed as I was in revolutionary garb, and carrying an old, faded sleepingbag, I falsely identified myself as a member of the Communist W.E.B. DuBois Clubs of Boston, and was instantly accepted. With credentials like that, nobody even asked what I was doing so far from home.

The secret gathering had been conceived some five weeks earlier after an important Resistance Summer Conference, July 19-21, at Reed College in Portland, Oregon. Among the featured speakers were David Harris, former Student Body President at Stanford University and one of the first organizers of *The Resistance*; Harris' folk-singer wife, Joan Baez, a top figure in the subversive Institute for the Study of Non-Violence at Carmel Valley, California; and, Communist attorney Aubrey W. Grossman, of the Communist National Lawyers Guild. Grossman is the key figure in the 110-member San Francisco Bay Area Selective Service Lawyers Panel which defends draft resisters without fee.

As a result of that weekend conference at Reed, the Comrades organized an Oregon Selective Service Lawyers Panel, made up of attorneys associated with the Communist National Lawyers Guild and the American Civil Liberties Union, to handle draft cases; they arranged to set up "Counter-Resistance tables" at colleges around the state, designed to catch students as they apply for U.S. student deferments; and, proceeded with plans for something called the Liberation Pilgrimage, to be held on November 14,

the next National Day of Resistance.

Buck Creek lodge, site for the Comrades' secret follow-up conference for all of this, proved to be an ideal setting, surrounded by rugged mountains, thousands of acres of tall timber, and miles from the nearest town. Owned by the presbytery of Seattle, it was a sizable, well-built structure, containing sleeping accommodations for over a hundred, ample meeting rooms complete with large, stone fireplaces, and a pleasant recreation area. The Comrades go first class.

Your reporter had first heard about this secret conference several weeks earlier, quite by accident, while visiting a Marxist bookstore, known as "The Id," in the "U District" of Seattle. That bookstore, located just off the campus of the University of Washington, is one of many in an area notorious for its hippie, hop-head, and Communist population.

While leafing through a copy of *Helix*, the local sheet of the Underground Press Syndicate, I overheard the proprietor of "The Id" discussing the planned meeting at the Buck Creek lodge with another seedy looking chap wearing a red and gold Mao Tse-Tung ton. The proprietor was giving detailed instructions on how to get to the conference and for whom to ask. Following those directions I found the lodge; the other fellow apparently got lost.

There were some thirty-five Comrades already at the scene when your reporter arrived — Reds from as far south as Los Angeles and as far north

as British Columbia. At its peak the conference never contained more than seventy-eight delegates. I know, because I was asked to help with registration. In that capacity, I was able to record the names and formal affiliations of all those Comrades who attended this "security-conscious" con-flab. Amusing, to say the least.

The schedule for that Friday evening included informal discussion, music, and a major address by Art Melville, a Catholic priest recently expelled from Guatemala for revolutionary activity. Melville, who is on a nation-wide speaking tour for The Resistance, declared in his hour-long "rap" (talk) that he was, indeed, a "Communist priest." He told about fighting in the hills alongside other "priests" from Belgium and the United States, helping the Guatemalan guerrillas in their fight for "liberation." He told about his role in setting up peasant "communes" throughout the twenty-two states in that country.

Before the "Communist priest" began his talk, I noticed a small group of revolutionaries conferring importantly. So, I crashed the party. The leader of the discussion was a young, long-haired fellow named John Merwin Sullivan, key organizer of Draft Resistance — Seattle (DRU), and the very chap who had organized the conference and rented the lodge. His father, John J. Sullivan, an ACLU attorney and member of the American Friends Service Committee from Seattle, arrived the following morning with a host of other lawyers.

Young Sullivan was bemoaning the fact that the scheduled keynote speaker, David Harris, could not get to the conference because he had been invited to speak at the National Student Association Conference in Manhattan, Kansas, during that same weekend — along with recently convicted draft evader Michael Ferber and Ronald J. Young, Youth Director of the Fellowship of Reconciliation.

Another top leader in Sullivan's discussion group, Bruce Nelson, confided that the whole NSA conference was this year "put together by a Resister from the East." Nelson, a fat, red-haired organizer of the San Francisco Resistance, and member of the Marxist War Resisters League, went on to relate that his job was to develop a "Radical Education Project" for clergy and laymen and others in the Bay Area. He said: "We've just sent a guy to Denver to organize a small conference there for the 6th and 7th of September . . ." Radical Education Project is, of course, one of the major fronts of the Communist Students for a Democratic Society, with headquarters in Ann Arbor, Michigan. One of its major sponsors, including such Communists as Red spy Victor Perlo, is a man named Paul Lauter, — National Director of *Resist*, which coordinates The Resistance from its national headquarters in Cambridge, Massachusetts.

Bruce Nelson, who appeared to be the final arbiter at the Buck Creek conference, admitted that he was himself awaiting indictment for refusing

induction into the armed services. He went on to relate that "we've received a healthy grant of money for this project, and we're trying to find the right people to do the work." A grant from whom, one might ask? Part of that money went to pay John Sullivan Jr. the sum of \$200 a month to do full-time organizing for The Resistance in the state of Washington. Another healthy chunk went to cover the \$800 tab for the weekend at Buck Creek lodge.

Among the most talkative revolutionaries present were Roger Lippman, Editor of *The Agitator*, an SDS leader at Reed College in Portland, and the Northwest Regional traveler and organizer for The Resistance; Rocky Annis, 18-year-old head of Draft Resistance — Tacoma (DRT), and organizer of a Tacoma SDS coffee house called "Free Speech Movement"; and, Joan Lieske, a member of the staff of the Seattle American Friends Service Committee (AFSC) who admitted that she was paid \$1.20 an hour at the AFSC office from the funds of an O.E.O. "work-study program." Another young revolutionary, a member of the Fellowship of Reconciliation (FOR), told me that he too was receiving money from an O.E.O. grant — but that he was making car payments with it.

Yet another of the leaders was Selma Waldman, an attractive 38-year-old art instructress at the Marxist Free University of Seattle. Selma admitted to being quite an activist in draft resistance demonstrations in Seattle,

and told of her friendship with Castro-trained Jack and Tiris Freeman, former leaders of the Communists' 26th of July Movement. The Freemans were also connected with the Free University and held "rap sessions" in their revolutionary headquarters, known as the "Magic Mountain," near the University of Washington.

During the course of a series of conversations, I was told that The Resistance held its first Northwest Draft Conference last March 30, at Lewis and Clark College in Vancouver, Washington, and that a subsequent strategy meeting took place on June 14 at the Centenary Wilbur Methodist Church in Portland, Oregon. I was also told that the key meeting places for The Resistance in Seattle were the Newman Center and the Lutheran Campus Center, ministry houses at the University of Washington.

Among the names of top leaders mentioned was that of Tom Green, a student pastor working at Willamette College with the University Christian Movement of the National Council of Churches. Green set up Resistance meetings in a coffee house called "rodo's" in the basement of a Presbyterian church, and in "The Vagabond" coffee house, both in Salem, Oregon. As one of the Comrades said with a grin, the "interim minister of that [Presbyterian] church was a swinging parson from Yale." Other leaders discussed included Reverend Philip Hanni, campus minister at Central Washington State College in Ellensburg, Washington, who set up draft

evasion conferences in the CWS student union; and, Dr. Tony Phillips, campus minister at Washington State University in Pullman, Washington. Dr. Phillips, they said, sent in his draft card and gave up his religious deferment. They added that he was a close friend of the Marxist Reverend William Sloane Coffin Jr., a member of the Communist National Mobilization Committee, and an official in the Reds' Clergy and Laymen Concerned About Vietnam.

Dr. Tony Phillips, working closely with a philosophy professor named Donald Wells (who, they said, has a "hot line to the Seattle AFSC"), controls the campus Common Ministry, a nation-wide apparatus known locally as "Koinonia House." According to one of the radicals with whom I spoke: "Common Ministry involves mostly young clergymen of various faiths. Whatever their original purpose they now seem to be involved in very useful [sic] and increasingly radical activities - draft counseling, running a coffee-shop, setting up an underground newspaper, voicing minority views through their churches, and allowing their buildings and facilities to be used as meeting centers."

After sharing a room for the first night with three bearded Resisters from Canada, I resumed my assignment at the registration table. In the course of checking credentials of incoming delegates I happened to come across a large, grey envelope, half-buried amidst the handout literature on the table to which I was assigned.

Checking it as a part of my job, I found that it contained several dozen letters and other Resistance data belonging to conference organizer John Sullivan Jr. I copied and photographed most of that material.

In the envelope was list after list of "Key Contacts" of The Resistance, from Boston to Chicago to Los Angeles. There was a mimeographed list containing the names of 29 "Washington State Attorneys Handling Draft Cases," all of whom were members of the ACLU or the Communist National Lawyers Guild. There was even a two-page list with the names of 65 pro-Vietcong fronts of The Resistance, including: New York West Side Project, Chicago Area Draft Resistance, Boston Draft Resistance Group, Philadelphia Anti-Draft Union, Union Theological Seminary Resistance, Peacemaker Sharing Fund, Berkeley Resistance, Detroit Inner City Organizing Committee, St. Louis Committee to Support Resistance, Colorado Freedom Center, and the National Black Anti-War Anti-Draft Union. Also on that list were three foreign fronts: Puerto Rico Liberation, Montreal Council to Aid War Resisters, and the Toronto Anti-Draft Programme.

It is interesting to remember that, as far back as last March, American Intelligence agencies intercepted a copy of a 12-page blueprint for nation-wide sabotage of Selective Service offices, a sabotage tract containing detailed instructions for making Molotov cocktails and incendiary time bombs. That document, smuggled into this country

after preparation in *Toronto*, was distributed to 327 pro-Vietcong front groups of The Resistance, resulting in a series of "mysterious" bombings throughout the nation.

In one of the letters, I spotted a rather startling statement which began: "... school here should be told to organize Moscow. They [Washington State University] have already been sharing films, other materials with Common Ministry in Moscow." I later found out, to my chagrin, that Moscow is a small town in Washington.

Another letter listed the key Resistance contacts at the University of Puget Sound at Tacoma: speech professor Michael S. Kuntz; and Reverend Jeff Smith, campus chaplain. The lead contact listed for the University of Oregon at Eugene was mathematics professor Douglas Parker, head of Campus Draft Committee, a group comprised of 65 faculty members which has received aid from SANE and the Human Rights Center of Eugene, Oregon; at Gonzaga University in Spokane, listed contacts were Father Greif, Dean of Students, and Don Jensen, Editor of *Gonzaga Bulletin*, the campus paper (Jensen uses the College Press Service to promote The Resistance); and, at Whitman College in Walla Walla, the contact listed was Chuck Lawrence, a member of the Communist SDS (which is sponsored on campus by the YMCA).

Among the many documents addressed to John Sullivan were a number from Ronald J. Young, Youth Director of the Fellowship of Recon-

ciliation, headquartered in Nyack, New York. In a letter dated July 24, Young remarked: "I am sorry we did not have the chance to get to know each other when I was in Seattle recently. I spent a good deal of time with Carl Wittman, who you know attended the FOR Conference." Wittman, of course, was the main speaker at the afternoon session there at Buck Creek lodge. He told me that he was one of the four principle organizers of the Northwest Resistance, and was awaiting indictment for refusing draft induction. An admitted Marxist from "an old Marxist family," he said the other three leaders were Bruce Nelson, who made his headquarters at "The Hearth," a San Francisco coffee house; Jim Prall, an AFSC draft counsellor; and, Danny Rubin, coordinator of the Reed [College] Draft Union summer project.

According to another rather shocking letter in that large envelope which I examined, it is apparent that at least Carl Wittman got to know John Merwin Sullivan fairly well. In a "Dear John" letter from San Francisco, there appeared the statement: "Things between me and Bob, and between me and Mimi, are as complicated if not as torrid, as before my trip North. I'm beginning to be reconciled to the permanence of such tension, and maybe learning to live with it and enjoy it. And, since this is the first time I've had an open homosexual affair of any importance, I'm beginning to deal with layers of guilt and fear that I hardly knew existed in me. At times I look

forward to the jail sentence." The revealing letter, of which I made a photograph, was signed, oddly, "Love, Carl." Comrade Carl had recently returned from a two-week trip to Canada where he was engaged in working with deserters from the United States.

A graduate from Swarthmore College, Carl Wittman is actually quite an important figure in the revolutionary Communist Movement in America. He is co-author, along with SDS Marxist Tom Hayden, of a 15-page Red diatribe entitled, *An Interracial Movement of the Poor*. While acting Community Organizer of the SDS Economic Research and Action Project (ERAP) in Newark, New Jersey, he and Tom Hayden were the principal agitators in the Newark Community Union Project (N-CUP), which sparked the devastating riots at that city in July 1967.

SDS leader Carl Wittman is also a member of the Executive Committee of ERAP, along with its Director, Comrade Rennie Davis of Chicago. Tom Hayden and Rennie Davis, frequent fellow-travelers to Communist Hanoi, were key organizers of the Convention Week disorders which swept Chicago during the week following that Resistance conference at Buck Creek lodge.

The rest of that afternoon at Buck Creek was taken up with short speeches by such Marxist revolutionaries as Darryl Skrabak and Malcolm Dundas, ex-convict Resisters recently released from Lompoc Prison in California; Susan Roberts, a full-time Resistance

organizer acting as chauffeur for "Communist priest" Art Melville; and, San Francisco organizer Bruce Nelson, who admitted that The Resistance has access to, and uses, the mailing lists of the Northwest chapters of the Women's International League for Peace and Freedom, the American Friends Service Committee, the Canadian Draft Resistance, and local Spock supporters.

In one of his letters incidentally (yes, I have a copy), Bruce Nelson exposed his own importance in The Movement by confiding that "the possibility has come up that I'll be asked to go to Geneva [Switzerland] to talk to foreign diplomats about The Resistance, and presumably, other forms of radical activity among young people in the U.S.A. . . it's an AFSC program, and apparently they really dug the speech I gave at their Sierra Conference in June."

The featured item on the agenda that rainy afternoon was the "Lawyers Panel," consisting of ACLU attorneys Jeremy Randolph, Mike Rosen, and John Caughlan. Mike Rosen, as you may know, is a sponsor of the Trotskyite Communists' Alexander Defense Committee, which was created to defend Communist terrorists in South Africa. John Caughlan, according to the February 16, 1959 Report of the House Committee on Un-American Activities, is a member of the Communist Party.

The distinguished panel spoke at length about the legal technicalities of avoiding the draft. Comrade Caughlan

even recommended a half-dozen Communist legal fronts.

After the "Lawyers Panel" disbursed, I took notes from more of the materials in the Sullivan envelope turned over to me at the registration desk. According to one of the letters from Comrade Bruce Nelson to John Sullivan: "You should have met Jan Van Pelt and Dale by now. Dale will be tied up with the Boycott, but Jan is a fantastic worker. She played a very large role in getting The Resistance off the ground in Fresno [California]."

Mr. and Mrs. Van Pelt, of course, are organizers for the subversive United Farm Workers Association, headed by Marxist Cesar Chavez. Mr. Chavez and his Comrades are trying to create a nation-wide boycott of California grapes — part of one of the Communist Party's most important projects.

Among the most important letters I came upon was one written to Bruce Nelson on the letterhead of the Los Angeles law firm of Margolis and McTernan. The letter, signed by attorney William G. Smith, and dated 12 July 1968, one week before the Reed College Resistance Summer Conference, began: "In answer to your letter . . . I will keep the week end of July 19 through 21 free in the event you decide to call me in place of Aubrey Grossman . . . I assume that you understand that Aubrey Grossman's expertise lies primarily in the field of setting up Selective Service legal Panels to defend individuals under indictment for Selective Service law violations . . . Aubrey has done a

*fantastic job in organizing those panels around the country . . .*"

And, no wonder. According to that 1959 Report of the House Committee on Un-American Activities, mentioned earlier, Comrade Grossman "... in 1945 was publicly advertised by the Communist Party as its new educational director for the city of San Francisco. In that year, he was also an alternate delegate to the important Communist Party national convention in New York City . . ."

The HCUA Report goes on to reveal that: "... Aubrey Grossman, who has been an official of the Communist Party itself, served for years as West Coast director and then national organizational secretary or director of the party's legal front, the Civil Rights Congress . . ." As a clincher, the HCUA Report also reveals that both Ben Margolis and John T. McTernan — the law firm partners from Los Angeles — are also both members of the Communist Party, and members of the Communist National Lawyers Guild.

Just as I completed reading that letter, I happened to look up in time to see two newly-arrived Comrades walking down the hall towards the registration table. I almost swallowed my tongue. One of the two was Carolyn Black, a leader of the Black Caucus of the Communist-controlled National Conference for New Politics, and Publications Director of the Communist W.E.B. DuBois Clubs. Her huge companion was a Seattle member of the Communist Black Panther Party.

Needless to say, without taking a

second look, or casting a backward glance, your fearless reporter ducked out a side entrance, flew through the woods, and may well have been ten miles away in that borrowed, vintage Chevy before his chair hit the floor. Carolyn Black, a top DuBois Club national officer from New York, was the last person I had ever hoped to run into out there in the middle of the Snoqualmie National Forest. You see, dear reader, I had previously worked alongside her in the DuBois Club National Office, while for two years posing as a DuBois Club Comrade for the Intelligence Division of the Chicago Police Department. She knew me. And, had Comrade Carolyn seen me before I could make my escape, things would have gotten awfully warm awfully quick.

While waiting to board a plane for Chicago the following day, to cover the Democrat Convention Week, I was informed through Military Intelligence sources that Carolyn Black was in the area setting up cells of the Communist W.E.B. DuBois Clubs. She was on tour with Charlene Mitchell, a member of the National Committee of the Communist Party, U.S.A. Comrade Charlene, who was walking picket lines in Seattle to support the Communist Boycott of California grapes, had been recently chosen as the Communist Party's candidate for President of the United States.

Such people would hardly have hesitated to order a permanent end to your reporter's good health.

[redacted] who advised he uses his name as [redacted] voluntarily appeared at the Dallas Office of the FBI. He said he was anticipating being called by the FBI, Washington, D. C., since he had only a day or two previously been advised by [redacted] whom he later stated was employed by the Senate Internal Security Subcommittee, to the effect that the FBI "wanted to talk to me about Dave Gumaer."

[redacted] said he retired from the U. S. Air Force at Travis Air Force Base on September 1, 1970, and thereafter, spent considerable time on speaking tours. During late March, 1972, while on a speaking engagement sponsored by American Opinion, [redacted] made a speech at a hotel in Hagerstown, Maryland. GUMAER was in attendance at this meeting and following his speech, [redacted] was invited to have a drink with GUMAER. GUMAER was aware that [redacted]

[redacted] was to be employed by [redacted] effective April 1, 1972, and at this meeting in Hagerstown, GUMAER gave [redacted] a two page list of contacts which he said he felt would be helpful to [redacted] in connection with his duties. During this meeting, GUMAER also mentioned a plan which he had and which he hoped to formulate and to put into effect in the event of a takeover of this country by the "radicals." The plan mentioned by GUMAER would basically consist of the organization of a number of aircraft pilots for the purpose of flying an individual from one part of the country to another for the purpose of eliminating, whether by assassination or kidnaping, any person considered dangerous to this nation. He said the reason for aircraft pilots being mentioned was for the purpose of bringing a stranger into an area for a specific job and then removing the stranger from the vicinity immediately upon completion of the job. He said the name of HENRY KISSINGER was used by GUMAER as an example, and he does not recall any other name being mentioned.

[redacted] said he considers GUMAER to be a "nut" and a crook. He said GUMAER, prior to [redacted] employment

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO  
ASSASSINATE HENRY KISSENGER,  
SECRETARY OF STATE;  
THREAT AGAINST SECRETARY OF STATE

On October 26, 1973, a first confidential source,  
who has provided reliable information in the past, advised  
[redacted] first  
source was provided with information [redacted]  
[redacted] who advised that a Dale or David Gomeire, a  
right-wing anti-semitic extremist, is alleged to be  
organizing right-wing airline pilots to fly "Hit Teams"  
around the United States to assassinate certain individuals.  
Henry Kissenger, Secretary of State, was the only name  
mentioned. According to first source Gomeire was currently  
working for the Liberty Lobby, 300 Independence Avenue,  
S.E., Washington, D. C. (WDC).

Liberty Lobby was founded in late  
1957. The purpose of this organization  
was to bring the conservative political  
viewpoint to the attention of national  
legislators in WDC by visits to offices  
of Congressmen by Liberty Lobby repre-  
sentatives, and by urging its half  
million subscribers to pressure  
legislators on specific issues by  
a flood of correspondence. Liberty  
Lobby describes itself as a consti-  
tutionalist centrist organization  
working within the system for consti-  
tutional government and against  
centralized power and alien ideology  
of both the left and the right.

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

Liberty Lobby critics see it as the purveyor of thinly disguised white racist and anti-semitic sentiment, and a potential power base of "hard right".

On October 27, 1973, a pretext phone call was made to the Liberty Lobby by a representative of the FBI, and they advised the true name of subject is David Gomaer and his last known address was Box 481, Ridgeley, West Virginia. This representative of the FBI was also advised that Gomaer is no longer employed with Liberty Lobby.

Investigation at the Pittsburgh Division of the FBI revealed that a clerk at Ridgeley, West Virginia Post Office stated that between 9 - 12 months ago, [ ] rented Box 481, furnishing address at 12 Knobley Street, Ridgeley, West Virginia, which was to be the location of a business, he described as a "Wilderness Survival and Camping Store". Following individuals received mail at Box 481: David E. Gumaer, [ ] and [ ] Post Office Clerk advised none of the Gumaers or [ ] live in Ridgeley and probably reside in Cumberland, Maryland, at the unlisted phone [ ]

b6  
b7c

The files of the Pittsburgh Division indicated a David Gumaer as a former intelligence agent for the Chicago Police Department around 1968.

On December 1, 1972, David Emerson Gumaer was accused of stealing an IBM typewriter from the office of Congressman John G. Schmitz, while an employee of Congressman Schmitz. On March 30, 1973, Assistant United States Attorney James F. Rutherford at WDC, declined prosecution of Gumaer for theft of government property. Gumaer had claimed he borrowed the typewriter from Congressman Schmitz and later returned it.

On September 5, 1973, a second confidential source, who has provided reliable information in the past, advised six months previously, March, 1973, Liberty Lobby sent letters to select individuals over the name of David E. Gumaer, Coordinator, Operation Survival, in which the addressee was invited to become involved in the "Operation Survival Program". Second source stated that in one sense, the letters were couched in veiled underground language; that to his knowledge no definite statement of principles had been enunciated by Liberty Lobby except as by connotation, can be derived from the invitation that "we need patriots such as yourself in the fight to protect and preserve America", and "Liberty must be preserved in this great land of ours". Second source further advised that the exponents

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

of the organization, Liberty Lobby, feel that in a world of shifting political bases, the United States government is in danger of falling into the leadership hands of radical elements currently within the government, and that "a complete dictatorship could be imposed on the American people". Second source added that in his estimation, the existence and purpose of Liberty Lobby is identified with the motivating doctrine of the now defunct minuteman organization, whose [redacted] was [redacted] [redacted] recently paroled from federal prison. Second source opined that Liberty Lobby does not pose a threat to the internal security of the nation at this juncture, but that in view of the affinity which appears to exist between Liberty Lobby and [redacted] there is reason to foretell that an extremist venture could develop out of the organization at some time in the future. b6 b7C

David Emerson Gumaer contacted the Chicago Office of the FBI in October, 1965, stating he had become interested in the "New Left", and felt it was a great threat to the security of the nation. To this end he infiltrated several radical organizations including the Du Bois clubs of Chicago, Students for a Democratic Society and the Young Socialist Alliance. Gumaer reportedly worked as an "undercover" agent for [redacted] of Church League of America, Wheaton, Illinois, and the Chicago Police Department. Gumaer also gave talks before various civic groups concerning his undercover activities, and was subpoenaed before the United States Senate Internal Security Committee of the Judiciary in December of 1967.

Chicago Police Department Security Unit did receive information from subject in 1966, prior to the time a publication of the John Birch Society stated that subject was an undercover agent for that Department.

The W. E. B. DuBois clubs of America (DCA) was formed in June, 1964, as a Marxist-oriented youth organization which would be used as a recruiting ground for the Communist Party, USA. This organization merged with Communist Party youth and independent Marxist youth in the formation of a new organization in February, 1970, at which time the DCA became defunct.

Students for a democratic Society (SDS) was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy", the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February, 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM) and Worker Student Alliance (WSA). The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS.

As the youth organization of the Socialist Workers Party (SWP), the Young Socialist Alliance (YSA) serves as the main source of recruitment into the organization. The YSA is described in the masthead of its

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

official publication, "The Young Socialist Organizer" as "a multi-national revolutionary socialist youth organization".

The SWP has been designated pursuant to Executive Order 10450.

[redacted] of David Gumaer, was contacted on October 28, 1973, by FBI agents at [redacted] and advised that [redacted] is residing at 1388 South Second East, Salt Lake City, Utah.

[redacted] Division of Motor Vehicles, Richmond, Virginia, advised that while Gumaer resided at 5743 Harwich Court, Apartment 122, Alexandria, Virginia, he is also a registered owner of a 1969 Mercury Marquis, four-door Sedan, Virginia License BKV-757, VIN 9B63K517104. b6 b7C

[redacted] Hamlet West Apartments, Alexandria, Virginia, advised an anonymous letter to the rental office which gave Gumaer's business address as the Rocky Mountain Mint and Depository, 1381 South Main Street, Salt Lake City, Utah.

Gumaer was interviewed on October 29, 1973, by FBI agents at Salt Lake City. Gumaer advised he is currently employed as a regional manager of Rocky Mountain Mint (RMM), 1381 South Main, Salt Lake City (SLC). RMM is engaged in buying and selling gold and silver coins. Gumaer expects to go to work for Deseret Mint and Depository, North Salt Lake, Utah, in the near future. Gumaer stated prior to coming to SLC in May, 1973, he resided in WDC area where he was employed by Congressman John Schmitz of California in a liaison capacity. Prior to that he lived in Chicago where from 1965 to 1967, he worked with the Intelligence

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

Unit of Chicago Police Department (PD), joining, W. E. B. DuBois club and Students for Democratic Society in order to furnish information concerning those groups to the Chicago PD. Gumaer also claimed he furnished information to FBI agents during that period.

Gumaer admitted working for Liberty Lobby in WDC and Chicago, but left because [redacted] was too radical, being anti-semitic and a backer of American Nazi Party. Gumaer claimed he has traveled throughout the United States speaking against Communism, delivering possibly 3,000 such speeches.

b6  
b7c

Gumaer said since residing in SLC he has given up political activities because he tried for nine years to warn American public of threat of communism to this country, but has now given up and is merely trying to make a living. Gumaer stated he has been asked to become involved in the American Party and Libertarian Party, but to date has not done so. Gumaer is convinced there will be an armed revolution in the United States and advocates family survival. He believes individuals have the right to defend themselves against revolutionaries.

Gumaer emphatically denied organizing or being involved in organizing right-wing airline pilots to fly "hit teams" around the United States to assassinate anyone, and stated such allegations as "silly". Gumaer stated he dislikes Henry Kissinger because he believes Kissinger is a danger to the United States due to his pro-communist activities and associates, but that to kill one or two persons would accomplish nothing. Gumaer advised the only way to defeat communism is to change the mind of the electorate through propaganda and make changes legally. Gumaer said he cannot recall ever making any statement which could be construed as a threat to assassinate Kissinger or

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

anyone else. Gumaer believes if internal revolution comes citizens have the right to kill revolutionaries in self-defense. Gumaer knows of no one who would start rumors about him; however, he admitted he has made enemies in the political movement who could be trying to retaliate and harm his reputation. Gumaer related an incident several years ago while working for the John Birch Society, rumor got back to Robert Welch, head of the Society, that Gumaer had made statements to the effect Welch was a "Red Agent". Gumaer said this was completely false and an example of how rumors start.

First confidential source contacted on November 2, 1973, to ascertain full background of the original allegations and to identify first source's "select group of friends" who furnished information, and also to further develop identities of all persons allegedly considered for assassination. First source advised as far as the original allegations are concerned, first source had previously set forth the full details to the best of first source's re-collections. First source stated that the only clarification was concerning the original allegation that Gumaer was soliciting the aid of individuals possessing licenses to fly small airplanes, and not necessarily airline pilots who must hold a license with an air transport rating.

First source advised the allegations in this matter were heard primarily from one [redacted] who resides at [redacted]

[redacted] advised on November 5, 1973, he retired from the United States Air Force on September 1, 1970, and worked as a [redacted] April 1, 1972 to January, 1973.

✓ Based on all the facts contained therein, the circumstances appear to point in accountability to my former research assistant, Mr. David E. Gumaer. As is indicated in the concluding paragraph of [redacted] memorandum the matter has been turned over to the Capitol Police. For your information, Mr. Gumaer's current address is Apartment 122, 5743 Harwich Court, Alexandria, Virginia 22311.

It appears from all action taken by the undersigned as well as by my research assistant, that Mr. Gumaer, if the typewriter in question was removed as alleged, would be liable to produce either a receipt for that property or an accountability thereof. Could you please advise as to what further action I may take or that your office can take to determine pecuniary liability.

Sincerely yours,

John G. Schmitz  
Member of Congress

MEMORANDUM

NOVEMBER 4, 1972

TO: HON. JOHN G. SCHWARTZ

FROM: [REDACTED]

ALL INFORMATION CONTAINED  
HEREIN IS UNCLASSIFIED  
DATE 08-19-2007 BY 60324 AUC BAW/STP/PTS

This information is directed by Congressman John G. Schwartz relative to a physical inventory of office equipment assigned to office space utilizing room 1216-B of the Longworth House Office Building. The memorandum is predicated on the belief that a possibility exists that a typewriter is missing from office 1216-B.

On or about November 9, 1972, an inventory was conducted by the Clerk's office of the House of Representatives to determine if all office equipment was physically present. A physical inventory was taken on the direction of [REDACTED] from the week of 13 to 17 November 1972. Based on "The Member Account Status as of November 30, 1972" it was determined that the following machine was missing:

CA 04754 IBM D-121 12P Elite O Gray Serial No. 6276434.

During the week of November 20 through November 24, the undersigned conducted a preliminary inquiry with all present and former office personnel. On or about 22 November 1972 in the presence of [REDACTED] for the Minority side of the House Committee on Internal Security, [REDACTED] was interviewed at her present place of employment, the Senate Subcommittee on Internal Security. [REDACTED] stated that it was her belief that a typewriter was removed from Room 1216-B upon the assignment of a manual typewriter, for the use of her previous research assistant, Mr. David E. Gumaer. However, [REDACTED] could not state whether she physically saw the typewriter removed when the manual typewriter was delivered.

On December 1st, the undersigned met Mr. Gumaer outside the Longworth House Office Building and accompanied him to the basement floor to the House Office Supply Service (Stationery Room). The undersigned was enroute to his place of business in Room 1216B, but did not proceed immediately, so that Mr. Gumaer could be interviewed relative to the transaction that took place when a manual typewriter was assigned to his custody. Mr. Gumaer stated that when the manual typewriter was assigned to room 1216-B, that an electric typewriter was physically removed by the personnel who delivered the manual typewriter. In fact, Mr. Gumaer stated at the time that he was in need of a typewriter and was enroute to the Stationery Room to select one, as his wife is in the employ of a Member of Congress.

Noting that a discrepancy existed, the undersigned on December 1st interviewed [REDACTED] and [REDACTED] of the Office Equipment Service relative to the status of office equipment in both Room 1208 and Room 1216-B. [REDACTED] furnished me with the original request letter for a manual typewriter as well as the reply received from [REDACTED] of the House, and this is attached to this memorandum. The undersigned stated to [REDACTED] that Mr. Gumaer had definitely stated that when his manual typewriter was delivered that an electric typewriter was removed at the same time. [REDACTED] on researching the matter, gave me a copy of an issue receipt for the manual typewriter which was delivered to Room 1216-B on December 15, 1971.

[redacted] stated that if an electric typewriter was picked up at that time a receipt would have been given to Mr. Gumaer. No record is available that such a transaction took place. In retrospect it should be stated that Mr. Gumaer stated that he was alone in the office when the manual typewriter was delivered and the electric typewriter removed. When [redacted] returned to the office a short while later he informed her of the transaction, which probably accounts for [redacted] stating that the electric typewriter had been removed.

Based on the information contained in this memorandum, the undersigned submitted a report to the police department of the House of Representatives, located in the basement of the Longworth House Office Building at approximately 3:00 p.m. 1 December 1972.
